Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.I talk to and love teaching nursing students on a daily basis. I know nursing school is hard and money is tight! Due to that my goal for creating this book was to provide the readers of this book with tremendous value. Another thing that is scarce in our lives as medical professionals or students is time. Like me, you don't have the time to wade through extraneous foreword and pretentious terms to get to the point. That is exactly why I created this book with strategies and tips for content you are most likely to see on the NCLEX and be tested on during nursing school. Inside this book you will find Strategies Tips on: 1. Cardiology 2. Respiratory 3. Endocrine 4. Renal 5. Psychiatric 6. Burns 7. Gastrointestinal 8. Neurology 9. Oncology 10. Orthopedics 11. Maternity 12. Pediatrics 13. Management Delegation.
