## A FUTURE TO BELIEVE IN: A GUIDE TO EMPOWERMENT, REVOLUTION, AND THE UNIVERSAL RIGHT TO BE FREE: 108 REFLECTIONS ON THE ART AND ACTIVISM OF FREEDOM

World Dharma Publications. Paperback. Condition: New. 270 pages. A Future to Believe In is a message the world needs to hear now! Bill McKibben, Author of Earth: Making a Life on a Tough New Planet. After four years in creation, Alan Clements brings us a visionary new book, A Future to Believe In: 108 Reflections on the Art and Activism of Freedom. In it he weaves the wisdom of hundreds of the world's most creative and courageous thinkers - artists, activists, scientists, and risk-takers - in with his own most compelling life-lessons, questions, and discoveries, from his forty-year long pursuit of truth and freedom - an epic journey of world travel, spiritual exploration, scholarly study and political activism, that has taken him from the sacredness of monastic silence deep into the dark heart of war zones. An iconoclastic blend of radical cultural commentary, edgy political punditry and provocative life-inquiry, this field guide for revolutionaries, and a model for a new society, is designed to liberate the human spirit - igniting gutsy transformation in one's daily life and nonviolent political change around the world. Burma's Nobel Peace laureate, Aung San Suu Kyi, with whom Clements co-authored the acclaimed book of conversations, The Voice of Hope, calls this global movement a revolution of the spirit or the awakening of a new language of freedom. By fearlessly fusing timeless spiritual values with nonviolent political actions, we can unite and cocreate a future to believe in. Alan Clements magnificent book provides a courageous and intelligent compass personifying our aspirations for freedom and wisdom, and in so doing, offers insights on how to shape a future that gives life hope; make this book your guide, mentor and friend. Dr Helen Caldicott, Author of Nuclear Power is Not the Answer and If you Love this Planet, Founding President Physicians for Social Responsibility. In this radiant book is a new consciousness. Lowry Burgess, artist,...
