David Fickling Books / Penguin, 2017. Hardcover. Condition: New. Dust Jacket Condition: As New. 1st Edition. First edition, first printing. SIGNED and PUBLICATION DATED to title-page. An especially worthwhile copy, being one of few to bear the additional key date of release, "19/10/17", added by Pullman to mark the auspicious occasion of his major new release. Volume One - La Belle Sauvage. It's been seventeen years, but Pullman is back with a real bang with this wonderful invocation of his most famous creation, the world of His Dark Materials, set ten years before The Golden Compass. A fabulous new release. This particular copy is especially collectible, not least for the added publication date, but also for the inclusion here of the scarce promotional items issued for the book launch. These are: the eight-sided promo sampler; the bookmark; the Find Your Daemon Quiz (wonderful!); the Biggest His Dark Materials Quiz; and, most important, the answers to the previous. The latter three items are A4 in format, single sheeted, and rather uncommon. All in all, this represents a particularly strong and collectible package of what is the author's most important work in years. As New. Chosen with real care, this is a Very Fine copy in Very Fine dust-wrapper, with absolutely no detractors or blemishes. D. B.
