(Print paperback version only, ISBN 9781473938465) Drawing together the best of text, video and interactive material for the complete AP learning resource for nurses. Effective, holistic nursing is impossible without a firm grasp of how the human body functions but knowledge of the scientific theory on its own is not enough. Using the person-centred practice framework as a guiding principle, this book brings anatomy and physiology to life combining the best of print and online learning into one integrated package. Key features \* Connects theory with nursing practice exploring the science from the perspective of a fictional family \* Supported by a rich array of video material including interactive figures, animations and mini-tutorials - perfect for visual learners \* Full of engaging activities designed to complement self-directed learning \* A bank of 170 online multiple choice questions and over 800 flashcards - ideal for revision and consolidating knowledge \* Written with the needs of nurses firmly in mind, focussing on the essential information More than...
