Excerpt: . . . applicants in the performance of the work supported. Although EPA will negotiate precise terms and conditions relating to substantial involvement as part of the award process, the anticipated substantial Federal involvement for this project may include: 1. close monitoring of the successful applicants performance to verify the results proposed by the applicant; 2. collaboration during performance of the scope of work; 3. approving substantive terms of proposed contracts; 4. approving qualifications of key personnel (EPA will not select employees or contractors employed by the award recipient); 5. review and comment on reports prepared under the cooperative agreement (the final decision on the content of reports rests with the recipient). C. Will proposals be partially funded EPA reserves the right to make an award of a grant that will fund only a portion of the activities described in the applicants proposal. The grant award may fund discrete activities, portions, or phases of proposed projects....
