

Murder in Notting Hill (Paperback)

By Mark Olden

John Hunt Publishing, United Kingdom, 2011. Paperback. Condition: New. Reprint. Language: English . Brand New Book. The truth about one of Britain's most infamous race murders has never been revealed. At around midnight on May 17 1959, a white gang ambushed 32-year-old Antiguan carpenter Kelso Cochrane on a Notting Hill slum street. After a brief scuffle one of them plunged a knife into his heart. The impact was as profound as the aftershock of Stephen Lawrence's murder more than forty years later. The previous summer Notting Hill had been convulsed by race riots. The fascists Sir Oswald Mosley and Colin Jordan were agitating in the area. So the news of an innocent black man stabbed in west London reverberated from Whitehall to the Caribbean. And when the police failed to catch the killer, many black people believed it would have been different if the victim had been white. Murder in Notting Hill is a tale of crumbling tenements transformed into a millionaires playground, of the district's fading white working class, and of a veil finally being lifted on the past. Part whodunnit, part social history, it reveals startling new evidence about the murder.

Reviews

Extensive guideline! Its this kind of good go through. Yes, it really is play, continue to an interesting and amazing literature. I am just pleased to inform you that this is basically the greatest book we have go through inside my own life and could be he greatest pdf for possibly.

-- **Madison Armstrong**

This written pdf is great. It is really simplistic but surprises within the 50 percent of the pdf. I realized this pdf from my dad and i advised this pdf to understand.
