Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from *Sessional Papers, Vol. 15: Part IV; Fourth Session of the Fourth Legislature of the Province of Ontario; Session 1882-3* The number of admissions for the year was, however, less than that for the previous year, the numbers for the years 1881 and 1882 being respectively 544 and 525, the former number being also the average for the five years ending 1881. It may be mentioned in passing that this reduction in the number of admissions has little or no significance in determining the relative growth or decline of insanity in the Province, the irregularity in this regard being due to the variation in the amount of Asylum accommodation existing from time to time. Of the admissions for the past year 268 were males and 257 females; 493 were insane and 32 idiotic persons. Of the insane persons admitted 125 were assigned to the Toronto Asylum, 162 to the London Asylum, 88 to the Kingston Asylum, and 118 to the Hamilton Asylum; and of the idiotic persons admitted 19 were placed in the idiot wards of the Hamilton Asylum and 13 in the Asylum at Orillia.
