Brand New Book ***** Print on Demand *****.Aurora Kathleen O Shaunessy comes by her flaming auburn hair naturally, and this independent city woman has an inner fire to match. Nothing stops Aurora--that is, nothing short of a Texas flash flood. This super-organized businesswoman might be running from the past, but she's using this journey to stop and smell the roses-- or rather the spring flowers in bloom across the Texas prairie. But beautiful Aurora has attracted the attention of two unsavory characters stalking her. Rancher Will Harrison rescues her from the raging waters and she's his guest for the next thirty-six hours. That's long enough for Will to fall head over heels in major attraction, and he has a hunch she might feel the same. He has a plan to keep her around until he convinces her to move out of the fast lane and into his life forever. But two predators have other plans for Aurora. Can Will save her in time? Can Aurora save herself?.
