FEAR THE REAPER

Whitechapel Productions, United States, 2014. Paperback. Book Condition: New. 234 x 188 mm. Language: English . Brand New Book ***** Print on Demand *****.FEAR THE REAPER America's Rural Mysteries, Hauntings Horrors by Troy Taylor and Rene Kruse The Dead Men Do Tell Tales series returns with a nightmarish journey into America's heartland in search of terrifying, gruesome and heartbreaking tales of murder, mayhem and ghosts! Far away from the bright lights of the big cities, such tales of depravity, violence and murder seem far removed from what appeared to be the peaceful countryside of the good ol' days. But those days were often far from good, as killers, psychopaths and rapists often roamed the regions far removed from the reach of the law. The isolation, loneliness and despair of rural life often led to horrific acts that can hardly be imagined outside of our worst nightmares. From seemingly normal farmers who one day snap and slaughter their entire family to murderous hired hands, dangerous drifters, depraved lunatics and worse, this is a collection of dark tales that will have you turning the pages long into the night -- and making sure you lock the doors after dark! You'll be chilled by. * Inhuman Butcher Robert McConaghy * Monster in the Shape of a Man Anton Probst * The Bloody Benders * The Northwood Murderer * Joseph Lapage, the Demon from the Bottomless Pit * The Meeks Murders * Pearl Bryan, the Headless Wonder * Belle Gunness * The Bluebeard of Quiet Dell * The Clutter Murders of In Cold Blood * The Keddies Murders many, many more! For those who believe that the most horrendous crimes in American history were confined to major cities like New York, Los Angeles and Chicago, you'll be both frightened and...
