Good e-book and helpful one. It can be written in basic phrases rather than confusing. I realized this ebook from my i and dad recommended this book to find out.

John Wiley and Sons Ltd, United States, 2000. Paperback. Condition: New. 1. Auflage. Language: English . Brand New Book. The Ruthless Leader What could a fifth-century b.c. Chinese general's treatise on military strategy and a fifteenth-century Florentine satirist/philosopher's essay on how to be an effective potentate have in common with advice from a former Treasurer and Deputy Chairman of Margaret Thatcher's Conservative Party? More to the point, what could these texts contain that would be of value to a businessperson trying to get ahead in today's volatile, globalized business world? Quite a bit, as it turns out. In the introduction to The Ruthless Leader, Alistair McAlpine weaves a thematic thread that connects the important themes common to all the texts in this trilogy. He mines them for their most powerful insights, compares them to one another historically and topically, and places them in a contemporary context that makes it easy for today's readers to understand how they apply to the day-to-day working of a modern business organization. Call them ruthless or simply pragmatic, but these classics comprise an indispensable survival guide for anyone who wants to swim with the sharks without being eaten...
