INFORMATICS EDUCATION IN HEALTHCARE

Springer London Ltd. Hardback. Book Condition: new. BRAND NEW, Informatics Education in Healthcare, Eta S. Berner, This book reviews and defines the current state of the art for informatics education in medicine and health care. This field has undergone considerable change as the field of informatics itself has evolved. Twenty years ago almost the only individuals involved in health care who had even heard the term "informatics" were those who identified themselves as medical or nursing informaticians. Today, we have...
