THE AMERICAN DRAWING-BOOK: A MANUAL FOR THE AMATEUR, AND BASIS OF STUDY FOR THE PROFESSIONAL ARTIST (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The American Drawing-Book: A Manual for the Amateur, and Basis of Study for the Professional Artist To those who have in view more than mere pleasure and amusement in the pursuit of the art of Drawing, may be fairly promised advantages that they will surely realize; and a portion of this work will be devoted especially to those who look to the application of the art to its most practical purposes. Most of the difficulties constantly felt by artificers in the execution of their handiwork, will be obviated, when the same hand that executes can design. Let our mechanics have their apprentices instructed in Drawing, and the effects will be soon evident in their work shops. They will no longer depend upon foreign inventions, that are, after all, little adapted to the wants, tastes, and habits of our people. Let these wants be supplied by articles, at once more useful and equally ornamental, of home production. Let them learn to use their own strength. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
