

## Planing and Control: Using Primavera P6 Version 7

By Paul E. Harris

BPB Publications 0. Softcover. Condition: New. A user guide and training manual written for Project Management Professionals who wish to learn how to plan and control projects in an established Primavera Enterprise environment with or without Resources and Roles. This book is an update of the Primavera P6 Version 7 book published in 2010 and has revised workshops and a new Earned Value chapter. About this book: Paul Harris was initially approached by Primavera Systems Inc. in 2002 to write a book on Primavera Version 3.5. This first edition has since been developed, refined and updated with each software release. This publication is ideal for people who would like to quickly gain an understanding of how the software operates up to an intermediate level. It covers Primavera Versions from 3.5 onwards and it explains some of the differences from SureTrak, P3 and Microsoft® Project to assist people converting from other products. The book is designed to teach planners and schedulers in any industry how to setup and use the software in a project environment. It explains in plain English and in a logical sequence, the steps required to create and maintain an unresourced and resourced schedule. It tackles some of...
