Tales of Terror (is a gamified tool designed for horror fans, students, authors and filmmakers. Gamification is the transformation and adaptation of tangible concepts into empirical games. This book covers franchise and public domain horror movies only. This rule ensures that each movie can be logically related and compared to another or grouped by similarity. Movies can therefore be classified, and sorted according to inherent properties. Our classification method uses genres, subgenres, ambiances and antagonists. Our different ratings are as follows: stars, story, creativity, acting, quality and rewatchability. Movies are also rated according to their creepiness, but this factor is not taken into account for building and ranking the top 300 list that follows. [Black White Interior].
