Brand New Book ***** Print on Demand *****.Lead Without Followers is a radical reinterpretation of what it means to be a leader. The long-awaited debut of author Dave Ursillo is set against a disturbing backdrop: an escalating atmosphere of unbridled anger with our modern elected leaders; venomous partisan bickering in Washington D.C. and an uncharacteristic but prevalent pessimism shared by the American people. Our world is at a crossroads. As cynicism and hatred become the modern political status quo, America's ever-important place as the leader of the free world is falling into severe question. Lead Without Followers not only explores the cultural, social and political origins of today's Leadership Problem, but cuts into the heart of the human source of today's convoluted definition of what it means to lead. Lead Without Followers invites readers to abandon the political sphere in order to embark upon a unique personal journey to discover an unconventional and profound form of quiet leadership that can be embodied by men and women in any walk of life. The book lays out a step-by-step process for ordinary men and women to discover and harness a unique, highly-effective and influential form of quiet leadership. The philosophy reaches into the shared humanity of the reader to help him or her reconnect with leadership's truest traits, such as positivity and hope, love, selfless giving, forgiveness, compassion and much more. By becoming leaders without followers, readers free themselves from their disillusionments and regain a purer sense of what it really means to lead. And, by the book's end, the reader is invited to return to the political sphere and to reapply a newfound understanding and appreciation for genuine, earnest and authentic...
