

## Time-Domain Calibrations of D-Dot Sensors (Classic Reprint) (Paperback)

By Robert T Johnk

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from Time-Domain Calibrations of D-Dot Sensors The National Aeronautics and Space Administration (nasa) recently conducted field tests on large commercial aircraft. The aircraft was flown close to various high-power electromagnetic radiators (air surveillance radars, broadcast transmitters, etc.) in order to measure the resulting fields at key locations of the airframe. The goal of this effort is to assess the impact of electromagnetic radiation on aircraft avionics systems and potential electromagnetic interference aircraft safety hazards. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
