Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Legends of the Ozarks But a few years will elapse when the wild, untamed fathers of America will have departed forever; the last generation of the Red Man will disappear like shadows before the zenith of Caucasian civilization, and only their weird traditions and bright-fancied legends will remain to remind the white man of the primeval settlers of the greatest Republic that floats a banner beneath the stars. The beautiful imagery and day dreams of the savage, the paradise of his hopes, the ambition of his unexamined nature, the love which he never otherwise exhibited, and the superstitions which the wild and lonesome forests created in him, are worthy of perpetuation. They serve to soften the aspersions cast upon the Indian's character and ennoble a nature which, in the eyes of the progressive and unsympathetic white man, is pronounced immovable and destitute of moral instincts.
