Reviews

Extensive guideline! Its this kind of very good study. It really is full of knowledge and wisdom I discovered this book from my i and dad encouraged this publication to understand.

(Mr. Jerry Littel)

SCROLL: PART ONE (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Xlintellect Pty Ltd (illustrator). Language: English . Brand New Book ***** Print on Demand *****. IDENTICAL TWIN SISTERS. POLES APART. LIGHT AND SHADOW. THEIR DESTINIES INTERLOCKED IN A QUEST THAT WILL DETERMINE THE FATE OF HUMANKIND. Seventeen-year-old Saffron Woods, twin sister to Sage, is haunted by strange voices as if from some distant past. With the SEED s sentience awakened, these mystical voices intensify, forcing Saffron to acknowledge that she has also inherited its legacy of dark secrets, intrigue and death. Venturing out alone, Saffron is driven to locate an ancient manuscript, the other half of a Cosmic Map charting the location of the only undiscovered Wonder of the Ancient World, the Hanging Gardens of Babylon; gateway to the Garden of Eden. But last seen in the Library of Alexandria, the SCROLL is thought to be lost to humankind. Then Saffron meets the compelling caretaker of Satis House who appears to know more than he is willing to reveal. Knowing she cannot trust him, Saffron is still drawn to this rebellious boy who seems to both threaten and protect her. But her feelings for Finn are complicated by the charming yet inscrutable Anakim, Gabriel Chevalier, who offers her his invaluable assistance in locating the elusive manuscript. Torn between competing passions and facing an increasingly implacable enemy, the Grigori, Saffron struggles to find the SCROLL which holds the secrets to the past and the key to the future. SCROLL: part one is the third book in the Keepers of Genesis Series.
