What you will discover, however, is far more important for a life update. A life upgrade. The updates, and the ultimate upgrade, addressed here involves the very core of your being. Its about updating your self of doing a soul update. It involves updating your life so you are not stuck with Version 1.0 of your self when Version 2.0 is freely available to you right away. This work presents the promise of complete life- transformation. If you choose to accept this update, you will be guided through the steps necessary to move from Version 1.0 to Version 2.0 of your self. This update process begins with the decision to let the master-programmer of your life install a whole new spiritual operating system in you. The update, and the upgrade process is totalongoingand powerful. At the end of each short chapter you will find a series of questions designed to help you think through and talk about what youre reading.
