Excerpt from A Genealogical Register of the Descendants in a Direct Line of Thomas Flint to Capt. Benjamin Flint (339) The flint genealogical register, printed in Andover, Mass. In 1860, brings our own line down to the birth of Cheney As we alone remember the tales of him, told by those who knew him, we feel that we are the ones to bring the history down to the present time. To the next generation these tales will be only tradition, while to us they are facts. The real personality Will be gone forever, as the spinning wheel and the tallow candle of our youth have gone. The migration of Schuyler Flint and family from Vermont to Minnesota Territory in the year 1856 was a thing of difficulty at the time of its accomplishment. The railway lines reached La Crosse, Wis. From there to St. Paul, Minn., the river steamboats made more or less regular trips during the summer months. The last stage of the journey to the long since abandoned town of Platte River, was accomplished by team. These things are worthy of remembrance. Let this be our apology for this work. Nelson flint.
