EDUCATION AND LEARNING TO THINK (PAPERBACK)

National Academies Press, United States, 1987. Paperback. Condition: New. Language: English . Brand New Book. The economic and social challenges confronting the nation today demand that all citizens acquire and learn to use complex reasoning and thinking skills. Education and Learning to Think confronts the issues facing our schools as they take on this mission. This volume reviews previous research, highlights successful learning strategies, and makes specific recommendations about problems and directions requiring further study. Among the topics covered are...
