They come in all manner of shapes and sizes. With a keen eye, house spirits can be found almost anywhere in the wood and timbers throughout the home. Tom Wolfe shows you how to coax them out of their hiding places with power tools. Five patterns are included. Tom provides step-by-step instructions with over 230 color photographs. One project is carved to completion and patterns for two other spirits are included. These projects are a great learning experience for the beginner picking up power tools for the first time.
