Have you ever wondered what life would look like if you were able to hypnotize someone just by having a normal conversation with them? I mean, without them even knowing they were hypnotized. Have a think on this, because you may be surprised by what you think up. I know I was. Here s the thing: People are always entering different states of mind, entering trances. We all do. I m hypnotized now, in fact. When we fall into these hypnotic trances we become susceptible to indirect suggestions. Probably you know what I mean by this, but for those who don t let me explain. Consider a time when you felt a little depressed. Maybe it was a time where you second-guessed yourself, doubted yourself, you know, something like this. You might have even wanted to give up on life, possibly. Unfortunately some people do. Don t be one of them, because I m about to teach you something that will astonish you beyond your greatest thinking. Well, when you find yourself in a state, like some type of depression, you may have noticed that you either want to be by yourself and not talk to anyone, or you find yourself feeling vulnerable, wanting to connect with someone else, so life doesn t feel so empty and meaningless or lonely. Trust me, we ve all been there at one time or another. And, if you haven t, chances are sooner or later you will find yourself in one of these states of mind. So when you find yourself in one of these states of mind, feeling like you are falling down, and you begin talking to someone else, and getting their perspective,...
