

Stemi Assistant

By Wayne W Ruppert

Trigen Publishing Company, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.STEMI Assistant is a condensed 40 page reference manual for health care practitioners who care for patients experiencing acute ST Segment Elevation Myocardial Infarction (STEMI). STEMI Assistant presents the latest evidence-based practices described in the American College of Cardiology (ACC) / American Heart Association (AHA) 2013 STEMI Guidelines, AHA/ACC 2014 Non-ST Elevation (NSTEMI)-ACS Guidelines and evidence based practices described in 19 additional recent scientific journal articles. STEMI Assistant is designed to serve as both a classroom textbook and an emergency bedside reference. It is formatted in a sequential, easy to follow order starting with basic definitions of typical and atypical symptoms of Acute Coronary Syndrome (ACS), the latest AHA/ACC/Heart Rhythm Society guidelines for obtaining 12 and 18 Lead ECGs, accurate identification of pre-infarction and STEMI ECG patterns and the identification of STEMI when bundle branch blocks are present. Model protocols for hospital and pre-hospital practitioners describe the latest evidence based practices for the management of patients with acute chest pain, NSTEMI-ACS, and STEMI in PCI capable and non-PCI capable scenarios. A generic Emergency Department Physician s...
