Whitaker House, 2018. Paperback. Condition: New. Language: English . Brand New Book. Every single one of us with a beating heart has spoken words under the influence of warped feelings and slurred thinking. And we soon wish we had the magical power to take those words back. We especially regret the hurtful words we have spoken to those we love the most and know the best. This book may just be the solution. Carol McLeod reveals that before the words are spoken, they brew in our hearts and are formed in our minds. It s our thoughts and emotions that determine what words come out of our mouths. Guide Your Mind, Guard Your Heart, Grace Your Tongue is an innovative blueprint that will enable you to take control of your thoughts and feelings in order to grace your tongue. You won t find pat answers here, but rather powerful strategies based on the Word of God to reroute disordered thinking and cure rotten emotions so your words can be humbly grateful instead of grumbly hateful.
