OCLC Number: (OCoLC)48470852 Subject: Medical care -- Finance -- Law and legislation -- United States. Excerpt: . . . 15 Ignated Mental Health Professional Shortage Areas, and the Sur-geon Generals Report on Mental Health, which reveals that one out of five adults and children suffer from mental illness in a given year. It also indicates that mental health problems are particularly acute in underserved areas throughout the Nation. Indeed, mental illness was the fifth most common reason for a visit to a health center in 1999. The committee recognizes that many urban and rural commu-nities served by health centers face a range of environmental health factors that may adversely affect the health of individuals living in those communities and further exacerbate chronic condi-tions, including exposure to lead, chemicals, pesticides, and pollu-tion. Health centers can play an integral role in addressing these environmental health concerns. The committee bill revises the defi-nition of environmental health services to permit health centers to offer the detection and alleviation of chemical and pesticide ex-posures, the promotion of indoor...
