Berklee Press Publications, United States, 1999. Paperback. Condition: New. Language: English . Brand New Book. (Guitar Educational). This continuation from Jim s first book teaches guitarists more about how to improve their playing in rock, blues, jazz, funk, Latin and RB styles, and how to play in the style of legends like Wes Montgomery, Jeff Beck, and other greats. Players will develop their own approaches using the helpful full-band and play-along tracks on the accompanying CD, and learn to phrase their own solos in new ways by using the techniques of master guitar players. Valuable to players at all levels, the strong melodies and chord changes Jim has written especially for this series are fun to listen to and learn. The book includes traditional lead sheet music notation and guitar tab for the songs, including style, tempo, form, fingerings, song description and commentary, hints, tips, approaches and practice ideas.
