Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. There are untold truths about the act of baptism. Your church may explain baptism to you, but what does the Bible actually say about being baptized into the Christian religion? The doctrine of baptism which we hold to be true in our minds is a complete fallacy, according to the Bible itself. Our beliefs about our baptisms are not founded on Biblical Scripture. The Bible says that when we make our commitment to follow this religion by the act of baptism, we get buried with Christ into his death and ours. We are buried and also die. We are baptized and enter death. This is the scriptural truth of baptism. Baptism causes death. Find out just what your death entails, why you are buried with Christ by baptism, and how to escape your grave.
