University Press of Mississippi, United States, 2014. Hardback. Condition: New. Language: English . Brand New Book. Conversations with Steve Martin presents a collection of interviews and profiles that focus on Martin as a writer, artist, and original thinker over the course of more than four decades in show business. The selected materials consist not only of pieces focused primarily on Martin s writings, but also broader profiles and conversations that help explain Martin s development as a writer within the larger context of his many...
