This is a book that will appeal to the millions who have bought books that offer the hope that there is help from the other side available to each and every one of us. This is the continuation of the saga of the author s spiritual awakening as recounted in the author s first book, Dancing on a Stamp. In this sequel, the author describes his most recent exploits with Albert who appeared one night to guide him on a series of out-of-body adventures to explore a dazzling white city on the Spirit Side, other planets in the galaxy with intriguing life forms, and some of the far-flung regions of our planet that suffer from human abuse.
