Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.THIS BOOK WAS BANNED FROM TELEVISION Mike Cernovich is considered one of the most controversial writers living today, as he tells the truth without fear of offending the politically correct or weak-minded. Cernovich has been attacked by Gawker, Newsweek, Washington Post, and other politically correct publications. MSNBC even had a guest on to discuss Cernovich s mean Tweets. Danger Play, Cernovich s flagship website, has been read by millions of people worldwide and his later book Gorilla Mindset became an immediate best seller. In the Essays on Masculinity, you ll be exposed to what most consider a radical and outrageous way of living your life. Namely, you ll learn how to shed slave emotions like guilt and shame to begin - perhaps for the first time ever - living life on your terms. Be forewarned. While you will agree with one essay, you will disagree with another. No one agrees with everything Cernovich writes, which is a point of pride for him. Cernovich does not write for the slow or the weak. He writes for independent men (and even some women) who aren t afraid to have their ideas about the world challenged. Find out what millions of others have learned by reading Essays on Embracing Masculinity.
