Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. There may be a whole universe of PaperPeople, but everyone has to have someplace to call home. PaperPeopleville is a bustling city that includes three house playsets, a post office, a bank, a gas station, two cars, five townspeople, and a city park to relax in after a long day of PaperPeopling. A great standalone playset, also works well to expand the play of other sets. The PaperPeople Universe is an interactive series of papercraft projects, aimed primarily at kids, although adults are certainly not excluded from the fun! There are a wide variety of projects, with new kits always being added to the line. The PaperPeople Universe is filled with people, animals, playsets, and accessories, all cross compatible, to enhance imaginative play and let kids express their own personalities in their own Universe. Figures can be used as action figures, finger puppets, room decor, hung as Christmas ornaments, decorations on gift packages, or anything else you can dream up. Models are easily assembled following the instructions in the book, and are generally appropriate for those school-aged and above.
