The Dalai Lama's indispensable commentary on a beloved Tibetan Buddhist text--now in the Shambhala Pocket Library series. One of the most beloved of all Buddhist texts, *The Way of the Bodhisattva* is a practical guide to generating the qualities of love, compassion, generosity, and patience. In this commentary on key sections of the text, the Dalai Lama shows how any of us can develop a truly good heart, and why aspiring toward the happiness and enlightenment of others is central to any genuinely spiritual path. His Holiness's profound wisdom--the result of a lifetime of practice and study--shines brilliantly throughout this extraordinary book. This book is part of the Shambhala Pocket Library series. It was previously published with the title *For the Benefit of All Beings*. The Shambhala Pocket Library is a collection of short, portable teachings from notable figures across religious traditions and classic texts. The covers in this series are rendered by Colorado artist Robert Spellman. The books in this collection distill the wisdom and heart of the work Shambhala Publications has published over 50 years into a compact format that is collectible, reader-friendly, and applicable to everyday life.
