Ladybird I m Ready for Phonics activity books are a great way for children to learn and practise their phonics skills. The series of phonic readers and their accompanying activity workbooks have been carefully written to give gradual, structured practise of the synthetic phonics your child is learning at school. This activity workbook includes lots of fun activities and stickers to help your child practise their letters and sounds and early reading skills, just as they do at school, and will help children prepare for the Phonics Screening Check at the end of Year 1. The series closely follows the order that a child is taught phonics in school, from initial letter sounds to key phonemes and beyond. It helps to build reading confidence through practice of these phonics building blocks, and reinforces school learning in a fun way.
