R.L. Ranch Press. Paperback. Condition: New. 346 pages. Dimensions: 8.0in. x 5.0in. x 0.9in.Ive been in love with the Fiery Boys for ten years now, so I was incredibly excited when they announced a reunion tour. Their music meant more to me than most people realized--it had literally saved my life. Back before they broke up, most people screamed for Chuck, the tall, seductive lead singer. Gabe, the guitarist, was usually their second choice, although I never understood why. Besides, I didnt want those two. The one I wanted was River, the buff and sexy drummer with the shaved head. Buck, the blue-eyed bass player, was my second favorite. No denying it, these were four gorgeous rockers. Not that any of this really mattered. I wasnt foolish enough to fall prey to the usual fan-girl fantasies that made people wait by the stage door and rip their clothes off. Well, except with River, who I could get pretty delusional about--he was crazy hot. But then two amazing things happened. First, the Fiery Boys ran a contest, offering one lucky woman the chance to ride on their tour bus for a week. And second, I won. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
