For too long melodrama has been associated with outdated and morally simplistic stereotypes of the Victorian stage; for too long film studies has construed it as a singular domestic genre of familial and emotional crises, either subversively excessive or narrowly focused on the dilemmas of women. Drawing on new scholarship in transnational theatrical, film, and cultural histories, this collection demonstrates that melodrama is a transgeneric mode that has long spoken to fundamental aspects of modern life and feeling. Pointing to melodrama's roots in the ancient Greek combination of melos and drama, and to medieval Christian iconography focused on the pathos of Christ as suffering human body, the volume highlights the importance to modernity of melodrama as a mode of emotional dramaturgy, the social and aesthetic conditions for which emerged long before the French Revolution. Contributors articulate new ways of thinking about melodrama that underscore its pervasiveness across national cultures and in a variety of genres. They examine how melodrama has traveled to and been...
