Aviaeology, Canada, 2017. Paperback. Condition: New. Language: English . Brand New Book. Camp Borden: A Century of Service is an overview of the history of this iconic institution. Over ten decades Borden has been a temporary posting, as either instructor or trainee, for countless thousands of military men and women who have served Canada in peace and war. For generations it has been a home to military families. And for a century it has been a part of the local community fabric of Ontario. This book, in a small way, pays tribute to Camp Borden as a unique part of Canada s history and heritage. It is not the complete story of Camp Borden, but hopefully it will inspire the reader to dig deeper into the layered history of a Canadian military treasure. Profusely illustrated with a good number of photos published here for the first time. For one hundred years Camp Borden has been part of the Canadian military landscape. During that time it has become an integral part of the history of the country, the province and the local counties. Thousands of men and women who have passed through Borden s gates have gone on to the serve the nation in peace and war leaving their mark on the Camp in countless ways. Families have called it home, even if for the short period of time that makes up a military posting, creating stories and memories of their own. Units have come and gone; some with the startling rapidity that is a hallmark of military life, while others have resided at Borden for decades and each has a rich history of its own. To put it simple, the history of Camp Borden is too large a tale to be captured in a book of this size. So the...
