Brand New Book ***** Print on Demand *****.A number of congressional proposals to advance programs that reduce greenhouse gases have been introduced in the 110th Congress. Proposals receiving particular attention would create market-based greenhouse gas reduction programs along the lines of the trading provisions of the current acid rain reduction program established by the 1990 Clean Air Act Amendments. This paper presents a side-by-side comparison of the major provisions of those bills and includes a glossary of common terms.
