Trafford Publishing, Canada, 2008. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.What if an experiment took place on Earth thousands of years ago that either created or tampered with the genetic make-up of primitive man? What if a technologically advanced, human-like extraterrestrial race are our ancestors? Only if you accompany the characters in their gatherings will you see how the events they share have a relationship with these Seeders of the galaxy. Join the characters as they discover why they came, what they did and what they intend to do with their creations. They return to Earth 2012. The year 2012 also heralds the opening of The Fourth Dimension for mankind. However, our evolution and our entrance to The Fourth Dimension are dependent upon the content of Earth s knowledge. Our collective knowledge is to be transmitted inter-galactically before the end of the Mayan Calendar on December 21, 2012. The transmittal originates within the vortexes of the Earth. The vortexes control the forces used for the changing of the Ages, every 26,000 years. A crisis exists if man really is a composite of inter-dimensional DNA. The archetype which currently exists excludes extraterrestrial origins. Some are of the opinion that many inaccuracies exist, not only in the definition of man , but with other great archetypes in history as well. The Mayans say that we are in a transitional period. They refer to it as the cycle of the merge of the dark and light. The Mayans say that different spirit beings, different philosophies, the different races must begin to weave together all knowledge including man s true origins. December 21, 2012 is quickly approaching. There are many theories as to what will happen before, on, and after this momentous date. 2012 PlanET seeks to integrate...
