Reviews

This ebook could be well worth a study, and superior to other. It really is basic but unexpected situations inside the 50 % of your ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Alleghany County, Virginia: Its Resources and Industries Llehghany county, on the western border of Virginia, with a mean length of twenty-six miles, a mean breadth of twenty miles, and an area of acres, is the center of a rich agricultural and industrial district and combines with its many natural advantages of location and fertility of soil a vast territory of mineral wealth which alone would establish for it a position of importance. The county lies at the base of the Alleghany Mountains, from which it derives its name, and the mean altitude exceeds two thousand feet. well watered by the headwaters of James River, the county is fertile and abounds in all the products of farm and field. Chief among the agricultural products are corn, oats, and wheat, in addition to the dairy, orchard and garden products. Live stock raising forms an important industry, thousands of cattle finding pasture in the highlands, -which abound in bluegrass. After a recent investigation of the subject of fruit culture in Alleghany County, Professor Alwood, formerly of the Virginia Polytechnic Institute, gave it as his opinion that What is known as the Falling Springs Valley of the county produces a variety of Pippins which compare most favorably with the noted Albemarle variety. The cultivation of fruit is engaging the attention of residents throughout the county, and is proving a paying investment. For the farm and garden products a ready market is created by the manufacturing industries which cover the county. There has been an appreciable increase in the cultivation of cabbage and Irish potatoes, which grow to immense proportions and are of a specially rich flavor. Seldom is found such pleasant blending of...
