Forgotten Books, 2017. Paperback. Condition: New. Language: French . Brand New Book ***** Print on Demand *****. Excerpt from Voyages Et Decouvertes dans l Afrique Septentrionale Et Centrale Pendant les Annees 1849 a 1855, Vol. 4 Les deux premiers siecles de l existence de Tombouctou nous sont completement inconnus; cette ville ne semble pas avoir joue, pendant ce temps, un role d une certaine importance, ni avoir eu des rapports etroits avec l histoire des pays environnants, comme etant tout a fait a l ecart, par sa situation topographique aux confins du desert. Tombouctou n acquit pas meme d importance apres avoir ete conquis, au xive siecle par le royaume negre le plus puissant alors, celui de Mellel, situe sur le reseau du Niger superieur, toutes les communications avec le Nord s operant encore par Walata; ce ne fut qu a la chute de cet empire, accompagne de la ruine de Walata et de l elevation rapide du royaume de Sonrhay, que Tombouctou commença a jouer dans l histoire un role dont l importance s accrut en peu de temps. Ses annales se lient etroitement a celles des royaumes voisins, il est indispensable, pour connaitre le passe de cette ville du desert, de jeter un regard sur le developpement de toutes les contrees du Niger en general; celles - ci offrent, du reste, une foule de particularites remarquables qui meritent bien de fixer pendant quelques instants notre attention. C est ainsi que le synonyme arabe El Djouf est frequemment employe comme nom de localites. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
