THERE MUST BE ORDER - VOLUME 3 For God is not the author of confusion, but of peace, as in all churches of the saints. (1 Corinthians 14:33) There should be order in every area of your life - your home, your church, your family, your work. There must be divine order in spiritual training, as well. In understanding divine order, one must be able to fully understand the importance of the discernment process, the ability to hear and see what God is saying even in the midst of the chaos and noise of life. If you understand where you are in life and you understand spiritual order, then you are able to discern the timing and the flow of God. To reap the full benefits of the Father, you must be able to flow with Him and understand His voice. This volume is about Prophetic Order in the house of God. Many anointed and gifted people desire to use their gifts in the church, yet oftentimes, they do not wait for the right moment for the order of the house to be set and for a system of recognition to be established.
