Reviews

It is one of my personal favorite books. It is one of the most incredible ebooks I have ever gone through. You will not feel monotony at any moment of your own time (that's what catalogues are for relating to if you ask me).

My dear belle: I was sorry when I met you at Bridgeport not to have had a longer talk with you about the meeting in May. I do not intend to make any speeches on any topic during anniversary week. Indeed I shall be out of town. I do not want you to take any ground this, dear except upon suffering. You know my sympathy. Thy with you. Probably you and are nearer together than any of our family. I cannot give reason now. I am clear; still, you will follow your own judgment. I thank you for your letter. On some things I neither talk nor will I be talked with. For love and sympathy, I am deeply thankful. The only help that can be grateful to me or useful is silence and a silencing influence on all others. A day may come for converse. It is not now. Living or dead, my dear sister Belle, love me, and do not talk about me or suffer others to be in your presence. God love and keep you. God keep us all. Your loving brother, H. W. B.
