Children of the Bund introduces us to the Wagner family, German immigrants to the United States right after World War I. Carl and Leona tried to raise their family the best they could, but their children needed discipline the parents were unable to provide. The children were introduced first to the Free Society of Teutonia, a pro-German group that had open ties with the Nazi movement. After a few years, this group was supplanted by the German-American Bund, an umbrella group that had secret ties to the Nazi government but from the outside appeared to be pro-American. Perverting young minds in summer camps through a pro-Nazi curriculum and militaristic drilling, young Carl Jr. and his peers were Nazified. There he pledges his allegiance to Adolf Hitler and makes contact with Fritz Kuhn, the leader of the Bund. Any chance at him not joining the German Army is dashed when his fianc is killed returning home from the Bund rally. He leaves home and travels to New York, where he signs up to travel to Germany. Once in Germany, he joins the German Army and applies for, and is accepted, in the Luftwaffe as a pilot. In Flight of the Jackal, Carl faces the rigors not only of acceptance by the Germans, but also a group of German-American pilots he eventually winds up with. It becomes complicated for Carl when he becomes...
