

## Dead Down East (Paperback)

Filesize: 4.14 MB

### **Reviews**

*It is great and fantastic. Better than ever, though I am quite late in starting to read this one. It has been written in an extremely simple way and is particularly only right after I finished reading this ebook where it actually changed me, affected the way I really believe.*

## DEAD DOWN EAST (PAPERBACK)

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Dead Down East, a fictional murder mystery, is both detective noir and smart screwball comedy rolled into one. Jesse Thorpe, a young private investigator operating out of Augusta, Maine, receives a mysterious phone call from a former client, Cynthia Dumais. She begs to be rescued from an island south of Brunswick, within a mile of where William Lavoilette, the governor of Maine, was assassinated the night before. She insists that her life is in danger, but is unwilling to provide any further information. Reluctantly, Jesse goes to fetch her. Within a week, Jesse has three separate clients, each with his, or her, own desperate need to have the murder solved. He assembles a motley team of compadres, including rock band members, a tie-dye psychic and his rousing girlfriend, Angele Boucher, to help him with the case. While the FBI and the Maine State Police investigate political motives, Jesse looks for the woman-Cherchez la Femme-as the trail draws him through the lives, and DNA, of the governor's former mistresses. Fresh, witty and loaded with eccentric characters, this first novel in the Jesse Thorpe Mystery Series is both clever and stylish. It's an old-school private eye tale with inventive twists and local charm. If you enjoy a well-crafted and zesty narrative, lively banter, or take pleasure in the company of Mainers, you'll love Dead Down East.
