Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. I ve written almost 50 books, of which 20 are a series of mysteries, and I ve never suffered from what they call writer s block, for one main reason: I don t sit down at my computer intending to write until I have something to say. and the only thing that slows me down isn t not having something to say, it s trying to figure out the best way to say it. I don t claim to be able to sit down and instantly think of things to say, having not thought about it previously, unless I m writing a non-fiction book on a subject I know like the back of my hand. and then I m like an old performer that opens up the refrigerator door and when the light goes on, I do a half-hour. Not everyone has something to say, but still wants to write a book because there s a story in them fighting to get out, so the purpose of this book about there being no such thing as writer s block is what I have done to eliminate it from my writing process, and believe may help others to do the same. I don t plan to sit down and force myself to write every day for a set amount of hours just to get a certain amount of words onto the screen: I have a mental process I practice that gives me things to say so that I can t wait to get to my desk to start them flying into the computer at a rate of over 75 words a minute, of which more than half are typos. but at least...
