

## Assets Cubed: Powerful Principles for Developing a Personal Wealth Plan (Paperback)

By Anthony Humpage

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Be the Hero of Your Financial Journey. No one will care more about your wealth, or take better care of it, than you. Assets Cubed is a revolutionary new approach to grow, protect and preserve wealth by taking a broader perspective-one that crosses and incorporates all asset classes. It consists of ten chapters designed to help you formulate and create your own personal wealth plan. Read Assets Cubed and take a quantum leap in your financial thinking. -While others will be prone to focusing on simply making more money, you ll be looking at ways to build your asset portfolio, accumulate wealth and then take steps to protect it. - While others will give in to the temptation to over-allocate in a favored asset, you ll strive for elements of liquidity, accessibility, portability, security and diversity in your assets so you are better prepared for the unexpected. -While others are trading and speculating, hoping to win big, you ll be investing for the long haul and quietly building a formidable base of wealth. -While others are blindly relying on commissioned salespeople to manage...
