DIALOGUES ON MIRACLE (PAPERBACK)

[DOWNLOAD](#)

Wipf Stock Publishers, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This book explores, in a manner that is readily accessible to those with little or no formal training in philosophy or theology, important questions concerning the rationality of belief in miracles. This book employs the time-honored literary device of dialogue, a practice that dates as far back as Plato. Done well, this form of philosophical investigation puts forward a thesis, yet genuinely engages with the views its author opposes. These dialogues are intended to provide a philosophical defense of the possibility of rationally justified belief in miracles. Such a defense can legitimately dispense with much of the paraphernalia that professional scholars in a discipline use in writing for other professional scholars in their discipline--some scholarly texts seem to be more references than argument--but it must not dumb down the material by oversimplifying the issues, or presenting straw man versions of the arguments it seeks to refute. My hope is that not only those who are already convinced of the rationality of belief in miracles will read this book, but also those who are unconvinced. For several decades, Robert Larmer has labored over the various topics related to miracles. And with *Dialogues on Miracles*, we are treated to the mature fruit of his labor. This book is simply excellent. It updates coverage of traditional topics (the definition of a miracle), but it adds topics seldom related to miracles (miracles and the problem of evil). And besides being treated to a feast of ideas regarding miracles, Larmer writes the book in a dialogue style, making the ideas very accessible. . . . I highly recommend *Dialogues on Miracles*. --JP Moreland, Distinguished Professor of Philosophy, Biola University Robert Larmer writes with consummate skill on the controversial...
