Louisiana Conservation Review, Vol. 3: April, 1933 (Classic Reprint) (Paperback)

By James P Guillot

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Louisiana Conservation Review, Vol. 3: April, 1933 During the spring months, eight hundred acres Of eight year old pine plantations were burned over by fire. Both the State and the Experiment Station have inaugurated check plots on this burned area to determine what damage has taken place, and what the future results will be. Definite figures have not been compiled for publication, but the results, so far, are very interesting and are very important as factors in the development of timber growth.
