Salamambo Press, United Kingdom, 2012. Paperback. Condition: New. UK ed.. Language: English . Brand New Book. When on a summer evening, astrophysicist Hubert Reeves went for a walk with his granddaughter, he was immediately assaulted by her questions: How big is the Universe? How far are the stars? Are there other universes like ours? . This little book is the result of their discussion - a very clear and fulfilling explanation on where we come from and our place in the Universe. Here is a perfect occasion for everybody, and not only children, to revise their conceptions about the cosmos.
